

ENVIRONMENTAL COMMITMENT:

We take proper care of the environment and manage our resources, taking extra care of the coral reef, the flora and fauna that some excursions include.

CULTURE AND TRADITION: The local guides make sure the guests get the best experience. Some tours include activities aimed to preserve local culture.

SOCIAL COMMITMENT: MC Tours-Roatan provide job and sustainable development hiring local guides and suppliers.

RESOURCES: With a personal commitment, each guide and staff, make an effort to save energy and water.
